Prescription Safety Glasses Form

The Physics Safety Program will provide a one-time allowance of up to \$200 for the purchase of one pair of prescription safety glasses for graduate students, post-doctoral fellows, undergraduate students and research staff who will be performing work for more than 3 months in an experimental research laboratory.

Individuals are responsible for eye examination, prescription changes, and for replacing lost or broken glasses at their own expense.

To obtain glasses, email this completed form to Despina Bokios at despina_bokios@fas.harvard.edu to obtain the authorized signature.

The authorized form, along with a valid eyeglass prescription, should be taken to Naito Building/Bauer Café where a representative from Industrial Protection Products (IPP) will be on-hand every quarter from 10:00 a.m. to 12:00 p.m. (schedule attached) to order a pair of glasses.

Researchers will be responsible for paying any amount that exceeds the \$200 allowance.

The prescription safety glasses must:

- Be obtained from IPP
- Have side shields
- Have lenses and frames that meet ANSI Z87.1 impact resistance standards
