

SAVE THE DATE

6th Annual Harvard Physics Department Postdoc/Research Scholar Retreat

September 12, 2018
Nantasket Beach Resort, Hull, MA
(Transportation provided)

With invited speakers:

Dr. Ash Carter

Director, Belfer Center for Science and International Affairs, Harvard Kennedy School
Former United States Secretary of Defense (2015-2017)

Dr. Peter J. Reynolds

Senior Research Scientist,
Army Research Office (ARO)

Professor Marco Iansiti

David Sarnoff Professor
of Business Administration

Come meet your fellow postdocs and research scholars, learn about the research going on in the Physics department, and share your own! The agenda will feature talks from our invited speakers, a poster session, recreational activities, and more. All meals and transportation will be provided (coach bus departs Jefferson Lab at 8:00 am and returns by 9:30 pm).

Organized by the Harvard Physics Research Scholar Advisory Committee.

Contact Bonnie Currier, Research Scholar Coordinator, for more information and to sign up.
